

REQUIREMENTS FOR A CONSTRUCTION ZONE OR DUMPSTER LOCATION

Section 146-314, 146-453, 146-493, 146-584, 146-585

- 1 An application fee of \$40.00 shall be charged on ALL permits.
2. The applicant shall submit a plot plan showing:
 - All streets adjacent to the complex or building.
 - Right-of-way width of all streets adjacent to the complex. Sidewalk width and type of material (concrete, brick, etc.)
 - Roadway width including all markings and direction of traffic.
 - All traffic control devices (signs, signals, etc.)
 - Any other construction zone within the area. Give name of contractor and location of construction zone.
 - When traffic is to be detoured due to street closure or blockage a detailed plan showing all detour routes and signs to be used.
3. All temporary walkways shall be in accordance with the City of New Orleans Building Code.
4. All construction fences, etc., within the public right-of-way shall be constructed of a concrete base and chain link wire, so if removal is required, it can be accomplished without damage to the roadway, etc.
5. No holes will be permitted to be made in the roadway or sidewalk without special permission of the Director of Public Works.
6. The area granted for construction shall be used to load and unload material. No loading shall be done outside of fence.
7. Construction zones are subject to the appropriate roadway fee set out in Schedule B of section 146-314 of the City Code.
8. Dumpsters placed on the public right-of-way in areas not under parking meter control are subject to the charge of \$20.00 per day, for every 22 feet of space occupied, based on a 6 day work week.
9. Dumpsters placed in metered locations require the rental of all occupied metered spaces. (See #10 for meter rentals).
10. Parking meter rental is handled by the Parking Division at 658-8200.
11. Any construction or dumpster within a mall area requires Police Department approval.
12. On streets where bus routes shall be affected, RTA approval is required.
13. No lifting operation or work which will block the moving lanes of traffic will be permitted between 7am to 9am or 4pm to 6pm weekdays.

DIRECTOR

CITY TRAFFIC ENGINEER

PERMIT # _____

This permit is granted in accordance with Sections 146-314, 146-453, 146-493, 146-584 and 146-585 of the City Code and the City's Building Code, Article 301, "Construction and Demolition Privileges," and the following stipulations:

- 1. In the event a traffic hazard or congestion develops on the public right-of-way associated with the permitted events, you will employ this City's police to control traffic and protect the public during such events.**
- 2. You will provide, locate and maintain all traffic control devices (barricades, lights, signs, etc.) To identify the permit area during the permitted period per the above ordinances and Part IV of the Louisiana Department of Transportation and Development's "Manual on Uniform Control Devices" or the City of New Orleans Standard Plans.**
- 3. All damages to the public right-of-way as a result of the construction will be rebuilt in accordance with this City's specifications within thirty (30) days at no cost to the City.**
- 4. Any protected walkway will be constructed per Building Code, Article 302, "Protection for Pedestrians" and be available for safe pedestrian use at all times.**
- 5. You will comply with this City's code, Section 146-453, "Provisions for Public Safety and Traffic Movements."**
- 6. The City may require adjustments or removal of any or all equipment (materials, barricades, walkways, fencing, etc.) covered by this authorization to facilitate other projects or events within the street right-of-way.**
- 7. During the Mardi Gras season, no permit will be issued from the Wednesday before Mardi Gras until the Wednesday after Mardi Gras in the area bounded by Canal, N. Rampart, Dumaine and Decatur Streets.**
- 8. The Department of Public Works requires all permits for the occupancy of the street right-of-way issued in connection with the construction, demolition, repair or maintenance of a building to include a bond to ensure the performance of the building owner's obligation to restore within thirty (30) days any and all damage to the sidewalk and street pavements resulting from the occupancy of the right-of-way or the use of adjacent right-of-way for the permitted construction activity.**
- 9. No lifting operation which will block the moving lanes of traffic will be permitted between 7am and 9am or 4pm and 6pm weekdays.**

This permit becomes invalid when and during the time period any one of the provisions or stipulations of the permit is not complied with. The City of New Orleans accepts no liability associated with this permit, nor does this permit allow any deviations from the Code of the City of New Orleans.
